A large commercial airplane is shown from a low angle, flying upwards and to the right. The sky is filled with large, white and grey clouds, with a bright light source (the sun) creating a strong glow and lens flare effect. The airplane's landing gear is visible, suggesting it is either taking off or landing. The overall mood is dramatic and powerful.

Airline Industry Analysis - Executive Summary

By: Evelyn Cates

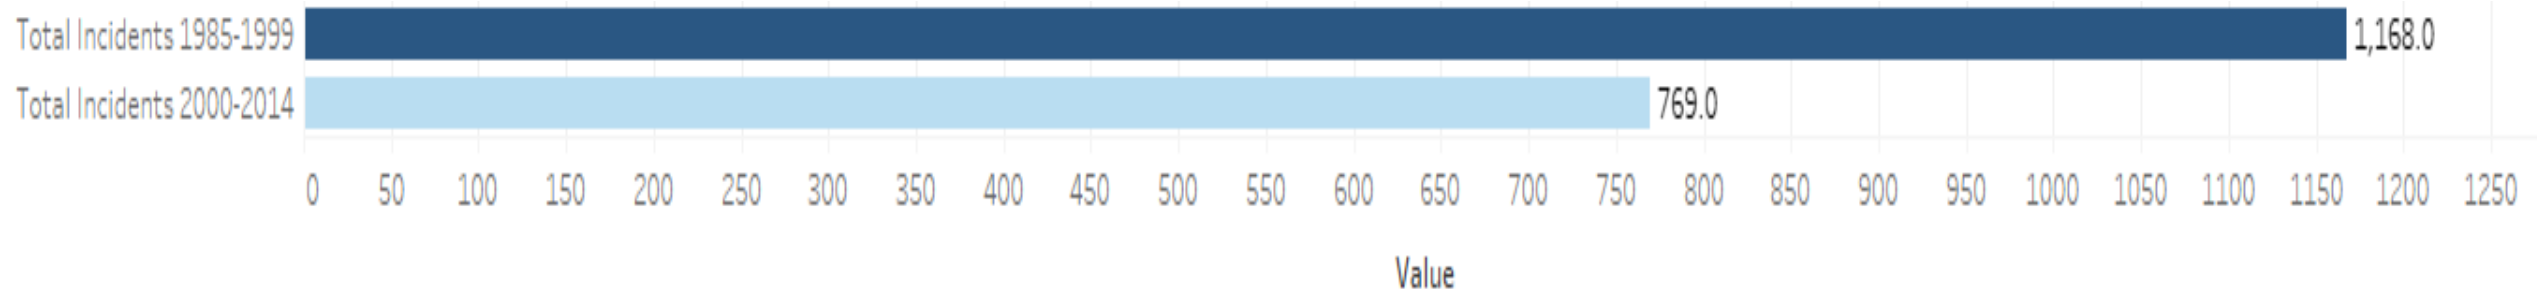

DSC 640- Data Preparation &
Visualization

Total Incidents Per Airline from 2000-2014

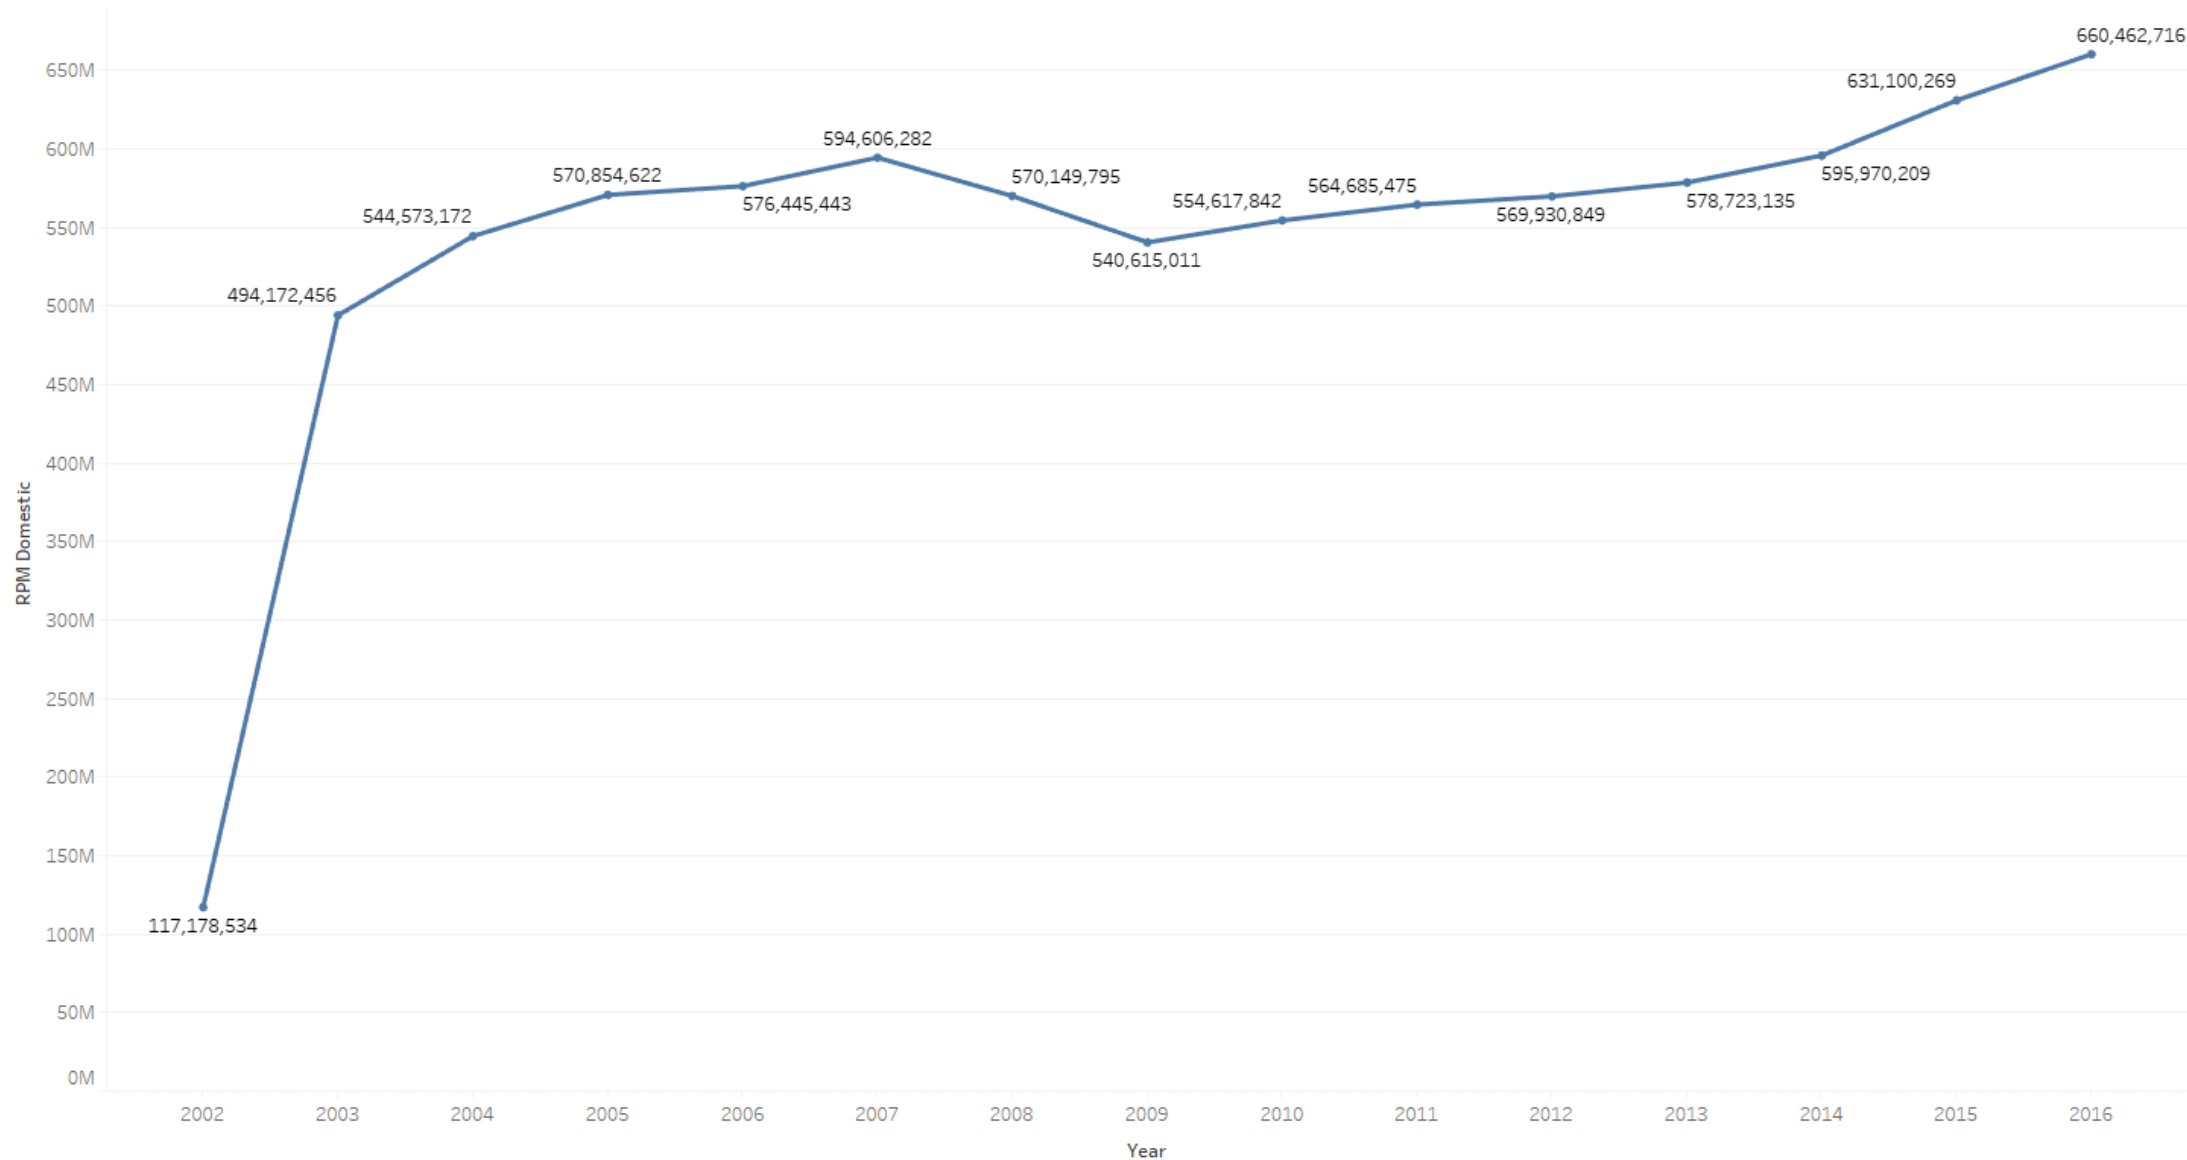

US Airline Incidents

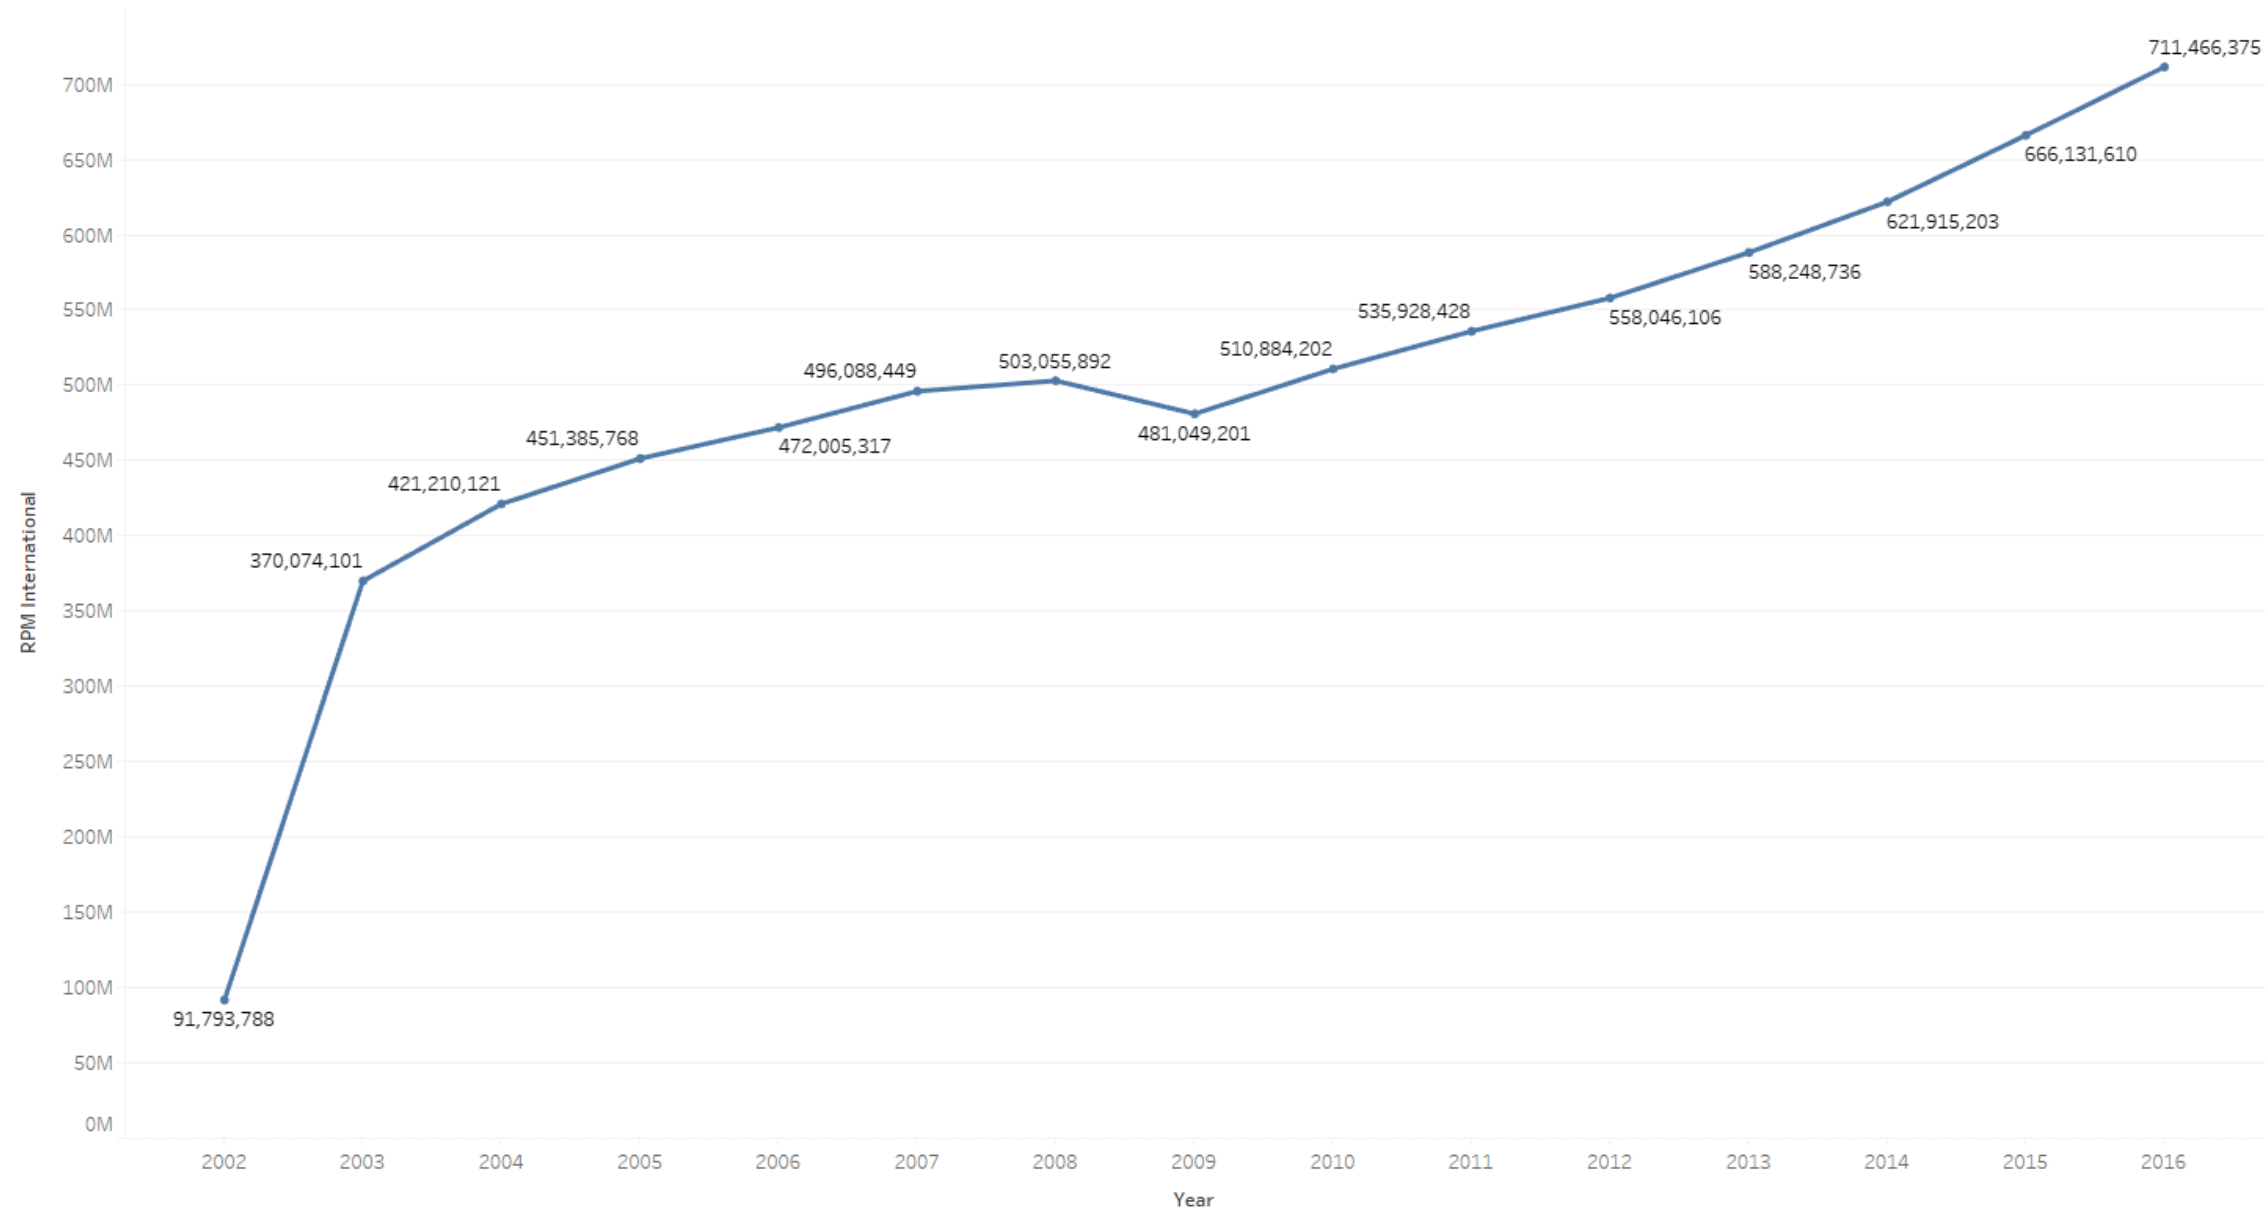

Comparing 1985-1999 to 2000-2014
